PROFILE

Final year student at Vidyalankar Institute of Technology, Mumbai. Creative 3D web developer skilled in MERN stack and Three.js, building interactive web experiences with custom shaders and particle effects. Quick learner with real-world project deployment experience, eager to contribute to modern, design-driven tech teams.

CAREER OBJECTIVE

Seeking a dynamic work environment to help me realize my full potential as a developer.

WORK EXPERIENCE

- **2025 Feb - 2025 March**
AR Developer
Renderops

Used Mind AR JS and Three JS for helping ecommerce customers to virtually try on fashion accessories.

PROJECTS
